

# Doing right with Insite

Corporate social responsibility report  
2025-2026

**Giving back isn't an add-on. It's part of how we live our mission: empowering communities for a greener future.**

**In 2025, that meant rolling up our sleeves and making a real difference. We walked to plant trees with Treekly, helped fight food waste at The Felix Project, and took on the Three Peaks challenge to raise money for Family Fund.**

**We even made time for blood donations and breathing new life into old IT equipment to help prevent digital poverty.**

**Every step reflects our values: community, innovation, excellence, and sustainability. And every idea, hour, and conversation counts. Here's to keeping it up in 2026.**

## Ongoing initiatives

The causes we champion all year round.

### **Donate your unused books**

Have any books lying around? Donate them to our libraries:

**Peterborough:** Stuart House café library.

**London:** Near the main entrance on the ground floor ('book library' blackboard)

### **Donate your clothes**

A seasonal clear out is a great way to empty your closet and help others:

**Peterborough:** Nearby charity shops in town

**London:** Between the mail room and lift doors on the ground floor

### **Recycle batteries**

Keep harmful waste out of landfill by bringing used batteries to the office:

**Peterborough:** Drop at reception (HypnoCat campaign by Recycle Your Electricals)

**London:** Near the drinks area on the ground floor (labelled 'battery bin')

### **Donate IT equipment**

Simply contact IT to donate your old equipment through Every Child Online, a charity working to end digital poverty.

### **Energy efficiency at work**

Help keep our offices greener. Keep an eye out for our tips in the newsletter.

## Make an impact

Other ways you can get involved and make a change in your community.

### **Find volunteering opportunities**

Our calendar is only the beginning. Find causes close to your heart here:
